FOREWORD

To the Class of '59

It's an honor, I assure you, that I didn't quite expect, a

Privilege I'm proud of, to begin this *Analecta*.

For principals, vice-principals and other V.I.P.'s

Have filled dedication pages; who am I to follow these?

They, in prose, recorded here, both praise and fit admonishment
Some of it quite sensible; some worthy of astonishment.
One well might hesitate to change so worthy an example,
But the time has come (the walrus said) on precedent to trample.

So I've left accepted patterns, for better or for worse,
And I'll write my simple sentiments in very homespun verse.
My "thank you" said, I now present best wishes from the staff
(Though we may at times seem churlish, it is **all** on **your** behalf)

May the years to you bring happiness and blessings without number
(Including those in class who sat in sweet, untroubled slumber!)

As scientists, truck-drivers, pilots, lawyers, doctors, nurses,
May you enjoy the work you choose, as well as fill your purses.

A bit of well-thought-out advice should close this dissertation
Before I say good-bye to you, the fond hope of the nation.
Advice I give you, brief and clear, and also plump and plain;
Whate'er you undertake to do, do it with might and main:

Give it your best, then win or lose, at least you played the game
(In winning you will add, I hope, laurels to Central's fame!)

But if you find the going tough, the struggle hard and bitter
Keep on - - no one respects at all the constitutional quitter.
The final word, in discourse grave, should be a phrase in Latin
"Lux Sit" at once suggests itself - - one must, of course, put that in.

To go a little farther, in a school I once attended
"Parum claris, lucem dare" was the motto, as amended,

Which says in rough translation (for non-Latinists and others)
"It's not enough to shine, yourself; throw beams upon your brothers."
That's all; good bye; good luck to you; and if you will, remember
In these few words, there is, of truth, if not a blaze, an ember.

IN APPRECIATION

An American sportsman of some note, Knute Rockne, once said: "When you leave something good, you can never come back. All you will find are the memories! To a great many of us, this Analecta is the remnant of our final year at Central, all we will have to which to turn when, in the future, we want "to come back".

And so it is, that we dedicate this Analecta yearbook to the Grade XII's who, with it, go out into manhood.

As you read this now, and when you come back to it in the future, remember these few who did so much that you might have a memorable yearbook:

- Messrs. Foster and Churchill for their smiling assistance throughout the year.
- Mr. Gislason, to whom goes an editor's personal thanks for an advisory and inspirational job well done.
- The teaching staff as a whole for making this year one long to be remembered and its events so worthy of permanent record.
- One more teacher particularly rises to the fore — Miss Todd who, having penned her poetical words of advice to us, now retires from teaching. Thank you, Miss Todd for a very nice (and true) forward, and especially, for wonderful years of teaching.
- And finally, the Analecta staff, for working long, hard and cheerfully at the slightest instigation, in their hope of giving an Analecta deserving of the Central colors it carries, and the banner year for which it stands.

In closing, I would just add a note to all yearbook editors of the future: may you only be blessed with as cooperative, exacting and capable a staff; as obliging a body of instructors; and, perhaps most important of all, as wonderful a year and a school for which to write, as I have had.

That is all you will need.

MAURICE YACOWAR, (Editor).

VALEDICTORY

ELAINE LUTHY

Tonight, Cental High School, we are saying good-bye to you. During the past three years you have been a second home to us. We have worked harder, played better, and learned more than at any other time in our lives. We have worked with you and for you. We have studied the courses you offered us. We have joined your clubs and entered your sports activities. We have cheered when you won and cried when you lost.

And in return for this you have given us something invaluable. You have given us a solid grounding in academic education. You have given us confidence in ourselves. You have taught us to get along with the people around us. But more than that you have helped us to grow up, so that tonight we feel that we are well-prepared to step into the adult world.

This training of yours took on a greater significance this year than ever before. For we, more than any preceding class, are facing a tense and strained world. While at Central we have seen the advent of the sputniks and the space age; we have watched Hungary and Iraq erupt in fiery revolution. The students who graduated during the bleakest periods of two great wars saw their fathers brothers and friends fighting and dying that they might live and that they might have freedom. Now we face a world where one can no longer fight for freedom, for to fight would be to annihilate the human race. We must maintain freedom not with power but with patience, not with emnity but with understanding, not with armies but with ideas. We must not only use the mathematics and the physics we have learned at Central but we must also demonstrate the spirit of goodwill and friendliness you have shown us.

To Central High School we must give thanks - the familiar old building, the teachers who have in every way earned our love and respect. We thank you for all that you have taught us: to think before we act, to aim high, and to do every job well.

And we, the Class of '59, feel that it is our duty, and our privilege, to pledge to you that we will set the highest of goals, and with honesty and courage strive to reach them.

—ELAINE LUTHY.

VALEDICTORY

DAVID PENNER

This is the class of '59's farewell to Central. More than that, it is a thank-you for all that Central has given us. For the past three years, more for some of us, we have been accepting all that our teachers have given us with very few words of thanks. Tonight is, more than anything else, our chance to show that, deep-down, we really have appreciated the "blood, toil, tears, and sweat" that these teachers have so selflessly put into our education. The attitudes and ideals which we have gained in our years at Central are expressed, much better than in any words of mine, in a short poem entitled "Take Time".

Take time to Work - - - - it is the price of Success,
Take time to Think - - - - it is the source of Power,
Take time to Play - - - - it is the secret of Perpetual Youth,
Take time to Read - - - - it is the Fountain of Wisdom,
Take time to be Friendly - - - it is the Road to Happiness,
Take time to Laugh - - - - it is the Music of the Soul,
Take time to Dream - - - - it is Hitching Your Wagon to a Star.

Each line of this short verse will bring back scores of memories to anyone who has passed through the classrooms of Central High.

Take time to Work - academic work has always been the primary function of Central High School. At times it has been a very unpopular one, but success has always come in mid-August to those who have learned this lesson.

Take time to Think -one of the biggest problems of our math and science teachers has been to try to get us to think clearly and rationally. If we have shown any improvement in this since entering Central, it is entirely due to the perseverance and the devotion to their work of these teachers.

Take time to Play - despite her small size, Central has always carried her purple and gold banners with distinction in interscholastic sports. During our brief stay here, our Rams have won once and tied once for the Provincial Football Championship climaxing two unbeaten seasons. And anyone who has participated in houseleague sports will no doubt have vivid memories of games played in this gym.

Take time to Read - For three years our English teachers and our

VALEDICTORY

VALEDICTORY—(Continued from Page 13).

librarian have been trying to teach us to distinguish between those books to be "chewed and digested" and those to be only "tasted" or "swallowed". In doing so, they have certainly played their part in what Tennyson called "... helping our knowledge to grow from more to more ..."

Take time to be Friendly - Although this is one facet of school life in which we need very little encouragement, our teachers, and especially our Principal, Mr. Foster, have always stood ready to help and befriend us "far above and beyond the call of their pay-cheques". Also, many of our fondest memories in years to come, will be of the friendships formed in these halls.

Take time to Dream - We have been encouraged by our teachers, who have, directly and indirectly, inspired us, to hitch our wagons to a star. They have brought us to realize that we have attended a school with a wonderful alumni and that only we can keep this tradition alive, and that we can do it only by using and applying the things which we have learned here in the past few years.

In a few weeks, this year's graduating class will go out onto Newton's seashore, armed with the few pebbles of knowledge which we have picked up on our way through Central. For these pebbles we say, tonight, "thank-you".

—DAVID PENNER.

Treasurer	Verne McKay

Central's Students' Council conducted numerous activities during the school term, which benefited the entire student body.

Early in the year, it helped purchase the electric scoreboard which was installed in time for the basketball games. Its use was also evident during the volleyball season.

The annual Alumni Dance was held on December 23rd. The Central Seniors played the Alumni, and a very successful dance followed.

Donations were made towards the Laval French Scholarship and to the Camera Club. Panayotis Likaris, the school's adopted Greek orphan, also received financial support from the Students' Council.

Room 16 was opened for study purposes with members of the Council as supervisors and many students took advantage of its facilities. Also, Honor pins were purchased to be distributed at the end of the year to high-ranking students in all three grades.

The Students' Council dance, Spring Fling, was held on April 17th. It, too, was a great success.

For the first time in its 45-year history, the Central Hi-Y invited Grade X boys into its membership. The year got off to an auspicious start with the annual November Nuthouse. In April, an exciting movie was shown in the school auditorium to raise funds for Central's football team.

There was a meeting of Calgary's Hi-Y executives in Banff and several of Central's members attended a conference in Saskatoon.

Among its various service projects, the Hi-Y made a donation of \$45 to Central's orphan; a \$50 donation to World Service; \$10 to the Y-Teen for Christmas hampers; and \$65 to the school for football helmets.

In addition, the club was active in city-wide Hi-Y projects. These were organized by the Gamma Phi, its governing body.

Majorettes

Central's 1958-59 Majorette Corps, under the leadership of Carol Wyckoff, Jacqueline Rich, and Ruth Ann Rozsa, has found this year a most successful and profitable one.

After the fall tryouts, the corps practised diligently for their first performance at Mewata. For this game, and also the latter ones, the Central majorettes displayed several new baton and flag routines.

The new basketball routines of twirling and precision marching were practised on Tuesday and Friday mornings.

The finale of the majorette season, the track and field meet, again showed the adeptness of these active girls.

Miss Urie, their sponsor, is to be commended on her part in making this year such a success.

Central's Orchestra enjoyed one of its most successful and active years in 1958-59. Every day in the eighth period, twenty-five eager instrumentalists hastened to the stage to rehearse under the able direction of Mr. Carter.

The orchestra's first performance was at the Christmas Assembly when it accompanied the student body in carol singing and presented several pieces. Successive engagements followed at the Palliser Hotel, when the orchestra played for the National Office Management Association; and for the Calgary Rotary Club. The Orchestra also participated in the Variety Night to aid the Home and School in raising money for graduation.

Once again this year, a small jazz band, the Ramblers, was formed, which entertained at many cheer rallies, much to the delight of the student body.

Thanks are due Mr. Carter for his hard work and great patience in making this year's orchestra such a success.

Awards Day

On June 18th, Central enjoyed her last assembly of the year - the annual Awards Day. Thirty-nine honor pins were presented to students from all three grades. Track and sports awards, the orchestra sweaters, and activities crests were also given to deserving students. The Frances Woolverton Memorial Cup and the Murray Law Memorial Trophy were presented to the best all-round girl and boy respectively. Academic awards included the W.G.E. Pulleyblank Trophy. Central Home and School Association

President	Mr. C. M. Arthur
Vice-President	Mr. D. R. Yeoman
Recording Secretary	Mrs. F. J. Johnson
Treasurer	Mrs. H. C. Bickel

One highlight of the Central Home and School Association's activities this year was the production of the comedy "The Matchmaker" by the Arts and Letters Club. The Association received the money made from the selling of tickets within the school.

"Open House" for the parents of Grade 10 students was held during November. Later, in February, the parents and teachers of Grade 11 and 12 students met to discuss mutual problems.

The January meeting was a special one. Several speakers told of the various contributions made to the schools in such fields as guidance, music, athletics, and medical services.

The final project of the season was the annual graduation banquet and dance. This year it was held on May 29.

Gamma Chi

The Gamma Chi is the central, co-ordinating body of all the Y-Teen clubs in Calgary high schools. Representatives from Central this year have been Nancy Roche and Linda Gorman.

Early in the school year, the Gammi Chi featured a "Get-Acquainted" party for its new members, and held a formal Recognition Eervice. Later, it had a candy sale at the World Service Tea, and then a planning conference for the coming year.

Several Central Y-Teeners attended the Provincial Y-Teen Conference in Edmonton during the Easter holidays, and the Leadership Training Conference in the summer.

ACTIVITIES

Gammi Phi

The Gamma Phi is a representative body of the seven Hi-Y clubs in the Calgary area. The purpose of the organization is to bring about better relationships among its member clubs, to make laws and suggestions, and to plan major Hi-Y activities.

Some of the Council's activities during this last term have been the organization of dances, inductions, conferences, and banquets.

Dave Comba was Central's Hi-Y representative to the Council.

Central's Orphan

Central's Greek orphan, Panayotis Likaris is being supported for the fourth year by the combined efforts of the Students' Council, Senior Y-Teen, Boys' Hi-Y, and the Booster Club.

Panayotis is a fourteen-year-old Greek boy who lives with his parents, two brothers, Andreas and Alovkus, and sister, Afrodite. During an uprising his father was wounded and as a result, lost his right leg. Thus, his father's small income, plus the earnings of his carpenter brother, amount to little more than \$14.00 per month.

During the past year, Panayotis has told us in his numerous letters to his foster "parents", that his brother has been married and has taken him on as an apprentice carpenter.

Central's adoption of an overseas child has inspired other groups to do the same. This year, Western Canada High School has adopted a little Korean boy.

In return for his many letters to the school, how about writing to Panayotis? Parcels would help his family and would be very welcome. Letters and parcels can be sent to the following address:

From: Foster Parents' name, Folder No., and address.

To: Foster Parents' Plan for War Children

P.O. Box 65, Station B - Montreal, Quebec.

Inter-School Christian Fellowship

President	Carole Boyd
Vice-President	Jacqueline Rich
Secretary	Cathy Doyle
Treasurer	Jeanette Seager
Publicity Convener	Janice Larson

Central's Inter-School Christian Fellowship club has completed a year of numerous activities. A candy sale was held on November 12, and bowling and skating parties were enjoyed by all.

Speakers, films, Bible studies, debates, and discussions were also included in the year's programing. Camps at Rocky Mountain House were attended by some Central members, as were the annual conferences.

The year ended with the closing ceremony for the graduating I.S.C.F. members of the local clubs.

ACTIVITIES

Assemblies

The first assembly of the year, the football rally, was held on September 24th. The new season ticket, which admits the student to all games, was given a sales boost by Mr. Foster, who pointed out its many advantages over the old system. The Senior Football Team was introduced by Captain Rick Lyle, and Mr. Lundmark then presented the team's assistant coaches. After an inspiring pep talk by Mr. Churchill, the Junior Team and its coaches were introduced by Alvin Wentz and Mr. McFaul, respectively. Performances by the majorettes under Carol Wyckoff, and the cheerleaders under Sandy McTavish, concluded the successful rally.

The pre-election assembly was held on October 8th. After some announcements by Mr. Foster, Sheila Mair, Chief Returning Officer, introduced the nominees for the four executive positions on the Students Council. Candidates were: Larry Youell, Pat Clarke, and Glen Lees for president; Sancy McTavish and Sally Angus-Smith for vice-president; Frank Lough, Joan Bentley, and Sheila McRoberts for secretary; and Verne McKay, Pat Smith, and Lorna Wallington for treasurer.

On November 28, the annual Booster Club basketball rally was held. Mr. Groves was emcee for the occasion. Glen Lees introduced the Senior Basketball Rams, while Miss James did the honors for the Senior Girls' Team. The program continued with several interesting items presented for the student body, including the naming of Mr. Legs of 1958, Garry McIntosh. A pep talk was delivered by Mr. Mack, followed by the presentation of the awards for the Traffic Safety Essays to Iris Troyer, Carolyn Mooney, and Elaine Luthy. The rally closed with some school cheers led by Sandy McTavish and her cheerleading squad.

The annual Christmas assembly was held in the school auditorium on December 17. The school orchestra played several selections and accompanied the general carol singing. Its special contribution was Christmas Fantasy. Vocal soloists were Kristen Christensen, Diana Kingston, and Darlene Durrer, while instrumental solos were presented by Ray Holland, Bruce Innes, and Al Herron. The Hammond Organ used in the performance was loaned to the school by Heintzman & Co.

On March 10, a pleasant respite from the tedium of a morning's toil roused the student body from its habitual lethargy. The Lord Strathcona Light Horse Regimental Band, under the able direction of Colonel Macleod, delighted a "capacity crowd" with a stimulating and didactic program of semi-classical and popular music. A brief tune by each player demonstrated the capabilities of the individual instruments. After the band had played two encores, Larry Youell thanked the band on behalf of the student body.

ACTIVITIES

Graduation Dance

Central's Graduation Dance for the Grade XII class of 1959 was held in the school auditorium on Friday, May 29th. The Home and School Association, sponsor of the dance, presented corsages to the ladies and served an excellent meal.

Following the banquet and the opening speech of welcome by Mr. D. R. Yeoman, vice-president of the Home and School, the evening was turned over to Mr. J. W. Churchill, who performed ably as M.C. Music for dancing was provided by Dave Luft's band.

Entertainment was provided by a vocal quintet composed of Darlene Durrer, Diana Kingston, Donna Nittel, Ardyce Blough, and Judy Osborne, and by an instrumental trio of John Armstrong, Bruce Innes, and Bruce Erasmus. The Delmar Dance Studio also gave a dance-team demonstration.

The enjoyable evening closed with the singing of Central's school song, Auld Lang Syne, and finally, God Save the Queen. Larry Youell expressed the gratitude of the graduating class to the Home and School, to those in charge of decorating the auditorium and to all others who helped to make the evening a success.

Graduation Exercises

The formal graduating ceremony for the Grade XII Class of 1959 took place on the Thursday following the Graduation Dance - - June 4. Chairman for the evening was Mr. H. W. Bliss, C.A., member of the Calgary School Board, and a former Central graduate.

The invocation was given by Rev. D. J. Munn, B.A., B.D., while Elaine Luthy and Devid Penner spoke on behalf of the graduating class as valedictorians. Mr. G. W. Foster and Mr. J. W. Churchill introduced the 1959 class. A former president of the Central Home and School, Mrs. D. A. Hansen, B. Com., addressed the graduates.

Entertainment was provided by the school orchestra, and soloists Sheila Mair and Ray Holland. Sheila sang "A Blackbird Singing" by Michael Head, and "With a Song in My Heart" by Richard Rodgers. On his trumpet, Ray played "Bugler's Holiday" by Leroy Anderson, and "Golden Days" by Romberg.

This formal ceremony marked Central's farewell to her 1959 graduating class.

Alumni Night

The Fourth Annual Alumni Night was held on December 23rd. The Senior Basketball Team once again lost to the Alumni squad. A dance followed the game, and refreshments were served to all.

ACTIVITIES

SPRING SILHOUETTES

Spring Silhouettes, a tea, fashion show, and bake sale, sponsored by the Senior Girl's Y-Teen, was held on February 25 in the school auditorium.

The gymnasium was decorated in spring colors with pink dominating. Black fashion silhouettes and pastel butterflies adorned the walls, while the stage was turned into a beautiful park with rattan seats and appleblossoms on a grass-green carpet. Two sandstone pedestals stood on either side of the models as they stepped down to the ramp.

The models were chosen from Y-Teen members on a basis of carriage and poise. Hilary Anderberg, Nancy Patterson, Pat Smith, Karen Bentley, Carolyn Mooney, Lorraine Berry, Stephanie Simpson, and Lynn Thomas did an excellent job of modelling the exquisite fashions which were donated for the occasion by Country Club Casuals. Accessories were obtained from Nowak's Shoes and Trainer's Jewellery.

The guests were received by President Linda Gorman and Fashion Show Convenor Elaine Luthy.

Presiding at the tea urns were: Mrs. W. M. Luthy, Miss A. Mercier, Miss M. E. Calder, Miss F. S. Todd, Miss N. James, Miss H. Hobbs, and Miss M. Suitor.

The committee heads whose work helped to make the entire undertaking such a success included: Susan Reed, food; Pat Spooner, decorations; Kendra Rockley, tickets; Sally Angus-Smith, equipment; Noreen Kirby, serving; Diane Scown, publicity; and Carole Grayson, modelling. Sandy McTavish, Darlene Durrer, and Val Lehman also deserve thanks for their part in the performance. Special thanks are also extended to Mrs. Gwen Hantho, club sponsor, who assisted so ably.

The proceeds from Spring Silhouettes were contributed to the U.N. Summer School Scholarships in Banff, and to the support of Panayotis Likaris, Central's Greek orphan.

Competition was keener than ever as two new teams, Queen Elizabeth and Viscount Bennett, participated for the first time in the Senior Inter-scholastic Football League. This year, Central Rams went down to their first defeat in two seasons, at the hands off the rebuilt Crescent squad. It was this same Crescent team which, after defeating the Rams in the sudden death playoff, went on to capture the Ross Trophy from Edmonton's Victoria Composite Redmen.

Although Central failed to capture the city championship, four Rams succeeded in gaining a berth on the all-star team. They were Pete Rule, fullback, Jim Board, guard, and Harry Blauvelt, end, on offence, and on defence, Bill McPhee, an interior linebacker. Our congratulations go out to coaches Mr. Lundmark and Glen Young, equipment managers Mr. Mack and Ed Galvin, Manager Alvin Wentz, and to all the players, whose fine spirit, skill, and sportsmanship, made our school proud of them as they represented us on the gridiron.

Senior Boys' Interscholastic Basketball

In spite of excellent coaching and much hard work, Central's Golden Rams experienced a rather disappointing season,, winning only three games, two against St. Mary's and one against Queen Elizabeth. However, they were unlucky in losing a number of games by a very close margin; and although the team finished fifth, all the players gained valuable experience which should help next year's Rams in their quest for the championship.

Ken Myhre, this year's captain and high scorer, and Doug Birks, our outstanding playmaker, will form the nucleus of next year's squad. Backing them up this year were Al James, Rick Hansen, Larry Youell, Currie Harbour, Jim Board, Al Brawn, Glen Lees, Jim Gardner, and Ron Fowler.

The boys wish to thank their coach, Mr. Lundmark, for his perseverance on their behalf and wish next year's team the best of luck.

Volleyball

Almost every noon-hour from the end of March and during the month of April this year, teams of the Central Mixed Volleyball League competed vigorously and noisily in the school auditorium. Two leagues, A and B, comprising sixteen teams apiece, played on alternate noons during the season.

Of the many who participated, the teams of Don Graves, Jim Board, Ron Fowler, Gail Windsor, Roy Beavers, Ron Culver, Foley Aked, and Doug Birks were successful in reaching the playoffs. After an exciting series with Don Graves' aggregation, Ron Fowler's team, from A League, emerged as the winner. Members of the championship team were: Jim Hutton, Jim Brown, John Lamont, Frank Lough, Gail Linden, Janice Larson, Jeanette Seager, Linda Wright, Anne Matthews, Dallas Mowat, and Ron Fowler, captain.

Thanks are extended to the teachers who supervised the games this year.

During the Canadian High School Championship, the curling teams of the city played host to the rinks of the visiting provinces in practice games.

The executive positions were filled by Glenn Miller and Andy van Goor; and the club's workout nights were on Mondays and Tuesdays after school.

It is hoped that the Grade 10 and 11 members will form the nucleus of a similar group next year. Mr. Lundmark has asked the School Board for several gymnastic necessities, including parallel bars and rings; and the members are looking forward to the use of this new equipment during the 1959-60 term.

We overheard a ticket agent say that a certain train would be on time. An hour later, a man stalked to the ticket window.

"Why didn't you tell me this train was late?" he fumed. Look here, mister," replied the complacent agent. "I ain't paid to sit here and knock the railroad."

A drunk who had been wandering around Times Square finally went down into the subway at 42nd Street. About half an hour later he emerged at 44th Street and bumped into a friend who had been looking for him. "Where on earth have you been all this time?" the friend asked.

"Down in some guy's cellar," the drunk said. "And, boy, you should see the set of trains he has!"

Invited to tarry for a session at a tavern, a henpecked husband expressed his regret: "I can't, I've got to go home and explain to my wife."

Black Bart had died. His reputation was none too savory. But despite rumors of robberies, rustlings and such, the good preacher at the funeral plead Bart's case. "He was an honest man," intoned the reverend. "Kind to one and all, generous to his family, a loving husband, a respected citizen."

After 15 minutes of such praise for Bart, his widow whispered to one of her sons, "Go up that and look in that thar coffin and see if that's yore paw."

Not realizing he had reached usch a terrific height, one young climber on a Banff mountain peered down through the clouds, caught a glimpse of the valley far below and exclaimed, "My God!" Whereupon a kindly voice answered, "Yes, my boy?"

The new army recruits from Texas were taken from camp to Santa Monica, Calif., and on their second day all went for a swim. A native Californian proudly asked one of the Texas lads, "Is this the first time you have seen the Pacific Ocean?"

"Nope," replied young Tex, dozing on the beach now. "I saw it yesterday."

One of our very R.F.D. villagers had a tart storekeeper. A dude tourist happened in, looked around the general merchandise, and bought himself a cigar which he immediately started to light.

"What?" groused the tourist. "You sell cigars, but won't let us smoke them?"

"Shore do," the merchant replied. "And we also sell bath towels."
